COSTLY TAN.

The summer girl's freckles are daintily quaint;
In number they daily increase—
And her father declares, with a smile that is faint,
They cost fifty dollars apiece.

A GLOOMY SPOT

That Needs to Be Well Lighted—A Hiding Place For Thieves and Evil Doers

If there is one place above another in the city of Maysville that should be well lighted it is the alley in the rear of the Central Hotel, running from Second to Front street. In its present condition on a cloudy night it is as dark as Erebus, and is a decidedly lonely and uninviting passageway to travel after nightfall.

There are doorways, areaways and nooks that afford a safe retreat and hiding-place for one on mischief bent, and in pursuit of such an officer is in danger of losing his life at the hands of the unseen miscreants.

On both occasions in robbing Geo. H. Frank & Co.'s clothing store the alley was used by the robbers in their get-a-way flight. Had there been a good, strong arc light mid way the alley on the last raid it is more than probable that they would not have succeeded in eluding the officers who were close on their heels.

By placing an arc light in the alley glowing in September.

it would afford further protection to the stores in Second street, at the same time be of great assistance to the night policemen and watchman.

LAWN FETE

To Be Given August 24th By Union League of Christian Endeavor

On Friday evening, August 27th, at the beautiful suburban home of Mr. J. J. Wood, the Union League of Christian Endeavor will have a lawn fete.

Every Young People's Society in the Union should at once begin active preparation to send a full quota of members to this meeting.

A competent committee is arranging all details for the evening's entertainment and every one who attends is guaranteed a good time.

The Union has remained comparatively inactive during the summer and this gathering of the young people together will in a way mark the closing of vacation time and a looking forward to active service along all lines of Christian activity as cooler weather comes on.

Regular meetings will be held monthly, beginning in September.

By Special Arrangements!

With the best manufacturers in the land we are enabled thus early to show our young friends the 1909 and 1910 fall styles. We specially invite the young students, who soon will return to their respective colleges, to call and be shown what we deem the most attractive Suits we ever had the pleasure to offer you. It is a well-known fact that few communities exhibit as refined taste in wearing apparel ours. This applies as well to the softer sex as to the sterner.

To be "in it" you simply have got to have the "right stuff."

To fully convince you "that we have it," come in and spend a few minutes with our salesmen, who are eager to show you the incoming styles.

ANYWAY, the Thaw trial proved that the country has got over its Evelyn hysteria.

THE Greek flag has been hauled down so many times that the count has long since stopped.

It is mighty easy and nice to want the income of the other fellow taxed, but how about your own?

THE pay-roll of the Norfolk and Western at Portsmouth this month will amount to \$80,000. That is at the rate of \$720,000 a year.

THE question is not how much prosperity the Tariff will produce, but how much Tariff the prosperity will stand.—Kansas City Post.

GREENUP, the town where the latch-string is always hanging out.—Greenup Republican.

A local option town with the latch-string hanging out doesn't appeal to a fellow as a hospitable proposition. When the Maysville latch-string hangs out, which is all the time, there is no barbecued feast on the menu.

AT Cleveland, Police Judge McCANNON has ruled that dish-washing is not part of a man's household duties and discharged a husband for beating his wife in a row about the matter.—Exchange.

The learned Judge appears to think that, while dish-washing is no part of a man's duties, yet wife-beating is a family duty sanctioned by the common law.

IN changing the coinage of the new Lincoln pennies to suit the little slit in the slot machines, Uncle Sam is acting like a sport who expects a rake-off. Oh, consistency, thou art, many times, a second-hand jewel.

THE South, as represented in the Sixty-second Congress, is for Protection to raw materials under the guise of "revenue," and it is plain to men of very slender understanding that so long as the raw material is taxed the finished product will be "protected." The South in Congress is making a fortification behind which Protection will be entrenched. What the Southern people think of it we shall see in 1910.—Washington Post.

IT might be timely to warn Maysville automobileists about fast speeding in the city. Some of our "chauffeurs" are already manifesting conspicuous recklessness, and after an accident takes place, and maybe some one is killed or injured, it will be too late for anything only a big damage suit. The City Council should, at its next meeting, frame an ordinance covering the regulation and speed of autos, so that the speedists and the "innocent bystander" and pedestrian may know just where they are at and who owns the public streets. The killing of a little child or the maiming of an aged or crippled person would be a loss which all the benzine buggies in the State couldn't make good. We like automobiles, and would like to own a few ourselves, and Maysville cannot have too many of them, but for mercy's sake don't try to turn corners at 20 miles an hour or speed along the streets at a 30 or 40-mile clip. Ten miles an hour in the city is fast enough.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases.

It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifl with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.—take the advice received and be well.

MODEL STATE BOULEVARD.

Colorado To Build Great Road With Convict Labor.

Surveys for a state boulevard between Colorado Springs and Canon City, Col., have been completed, and within a short time construction of the road with convict labor will begin.

This highway is to be made an example of modern road construction and will afford the motorist one of the most delightful scenic rides in the State. The last legislature appropriated funds for the work.

Kentucky can well follow the example of Colorado and utilize convict labor for the construction of public roads.

During the severe electrical storm Sunday, two horses belonging to Mr. Samuel Stone, living near Augusta, were struck by lightning and instantly killed.

There is a bad break in the \$18,000 sewer at the corner of Third and Union streets. Workmen were engaged yesterday in replacing ten feet of the 24-inch pipe that had in some manner been broken into fragments. The main is some ten feet under ground, East of the street over which traffic passes, and what caused the mishap is somewhat of a puzzler.

Mas. Harry McDougle and son, William Darnell, and Miss Vance, of Lexington, are the guests of Mrs. Mayme Hickman, Mrs. Sallie Jenkins and the Misses Perrie.

While grazing Sunday, a horse belonging to Mr. H. L. Cordrey, of near Dover, became entangled in a grape vine and was thrown into a deep hollow, receiving a broken neck, and dying a few minutes afterwards.

Prof. William Hardin Lucas, who has been taking a special course at Chicago University, arrived Tuesday afternoon and is spending a ten day's vacation with his wife and baby at the home of her parents, Mr. and Mrs. W. Scott Osborne, before taking up his new duties as Superintendent of the Louisville schools.

Eld. H. J. Lunger, who is holding a series of meetings at Beasley Church, was a visitor to Dover Tuesday where he has many friends and admirers. The meeting at Beasley has resulted in several additions to the Church by letter and three by confession. It is expected that the meeting will continue throughout the week.

Doan's Kidney Pills is the remedy to use. No need to experiment. It has cured many stubborn cases in this vicinity.

Can Maysville residents demand further proof than that contained in the following testimonial?

Mrs. Mary C. Evans, Vanceburg, Ky., says: "I had troubles by disordered kidneys for fifteen years. My back was very lame and suffered from a great many other symptoms of kidney trouble. Doan's Kidney Pills helped me more than anything I had previously used and I am therefore pleased to recommend this medicine to other sufferers."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Modern methods used. Studio, No. 215 West Second street. Fall term begins September 1st.

DAILY PUBLIC LEDGER
MAYSVILLE, KY.

Fifteen left over the L. and N. this morning for the Ewing Fair.

Mr. Clyde Outten is seriously ill at the home of his parents in Limestone street.

Blood poisoning with lock jaw caused the death of John A. Evans, aged about 68, at Poplar Plains Sunday night.

Ennis Travis has moved his barber shop from East Second to the corner of Market and Front streets. If you want a clean, smooth shave, give him a call.

Allie C. James and Ed. Eitel have bought out the grocery of M. J. Donovan, corner of Second and Limestone streets, and will be pleased to have their friends to call and see them.

Mr. and Mrs. Fred S. Dewey of Palm Beach, Florida, are registered at the New Central. Mrs. Dewey is the second daughter of the late Rev. Dr. J. E. Spilman, who was Pastor of the First Presbyterian Church here, more than thirty years ago.

MRS. S. A. POWELL

Mrs. S. A. Powell died this morning at 1 o'clock at the home of her mother, Mrs. Charles Hooper, in the West End, after a short illness with typhoid fever.

About a year ago she underwent a surgical operation of the amputation of one of her lower limbs, from which she recovered only to yield her young and useful life to dreaded typhoid. She was a woman of charming Christian graces, and was admired and beloved by a wide circle of devoted friends.

She is survived by her husband and an only child, 15 months old.

Funeral arrangements will be announced in tomorrow's paper.

THE SEX OF EGGS

Illinois Man Declares He Can Tell Which is Which

An Illinois man says that he can tell the sex of a chicken by the egg. He claims that the long, narrow eggs are rooster eggs and the short, chubby eggs will bring forth pullets every time.

There should be no difficulty in proving that statement, as one could take all the short, chubby eggs and place them under one hen and all the long, narrow eggs could be put under another hen and the fact noted and the two broods kept separate.

It would certainly be an interesting experiment.

Twice as Much Light for the Same Money

is obtainable by using TUNGSTEN LAMPS for electric light. They are made like any other incandescent lamp, with this difference, that the wire filament inside is composed of a rare metal called Tungsten, which radiates two or three times as much light, with the same amount of current, as the ordinary carbon filament.

Ask us to show you the General Electric Tungsten lamp and prove its economy to you.
